

## Who We Are

### **Behaviour Support Program (Family & Child Care Resources)**

We work with child care providers, families and community agencies to support children who are presenting behavioural, developmental and social-emotional needs or challenges in child care settings. This includes licensed child care facilities, family child care homes and nursery schools.

Our purpose is to build positive relationships, support development and promote quality care for children.

## WHAT WE OFFER

**For families, licensed child care centres and family child care homes.**

A Behaviour Support Coordinator will work with you to develop a comprehensive service plan. This may involve working with your provider to find better ways of understanding and meeting your child's needs, new strategies and resources and/or a relevant workshop or coaching for the child care staff. We offer professional support, guidance and referrals to other services in the community.

### We also provide:

- a variety of workshops to assist with professional growth and networking.
- staff meeting support
- behaviour support consultation
- assistance in developing positive environments

***"I felt supported by the staff, there was significant follow up, and I felt like the program was there for our family until my child's issues were manageable."***
