DAY CAMP LEADERS SUMMER 2019!

Thank you to all the kids and families that participated in our summer day camp activities this year. We had a really great time working in such a unique and special neighborhood with amazing people. We want to thank you for never failing to put a smile on our face and encouraging us to break out of our shell and feel comfortable around you. You guys made us feel more like a friend and less like leaders. Our favorite part about camp was getting to know the kids, when we turned from strangers to friends. We also appreciate you guys engaging and showing interest in our outings and teaching us something new everyday. Although summer is coming to an end, the memories will never fade. We will cherish the fun moments we had and the friendships we have created. We won't forget the handprints left on the memories we have made. We hope the upcoming school year brings you nothing but joy and positivity. We would also like to wish everyone a successful school year full of happiness, new friendships and laughter.

Stay Safe!

Thank you Woodydell/St. Anne's for the amazing summer!
