

Our Locations

Our goal is to have empowered individuals living in healthy families within a well-connected, supportive community. Core programming at each centre may include:

- Community kitchens
- Family fun nights
- Drop-in
- Public access computers
- Used clothing depots
- Breakfast clubs
- Youth programming

For more information contact the individual centre directly or download their most recent newsletter from our website.

Community Advisory Committees work in collaboration with staff and area stakeholders to develop programs that meet the unique needs identified by each community.

Manitoba Housing provides the space for these Family Resource Centres and has selected the participating communities.

“I find most times if it were not for the centre and it's wonderful staff and services that my children would not always get to eat. The centre is valuable to this community and all the children in it. I am very grateful for their support and compassion. We'd be lost without it.”
