As of September 1, Masks are now required

Due to the current health crisis in Manitoba, we have had to greatly modify how we are providing services. For the health and safety of everyone, **we are only allowing participants into the resource centre for registered programming (see calendar)** at this time.

If you have questions about how to access services or resources, please e-mail or call us and we will do our best to provide you with the information you are requesting.

We are excited to be resuming some programming for August for adults and teens ages 13+. Infants under 2 years old may attend with a parent but all toys have been put away and are off limits.

Physical distancing and participant screening are required.

At this time computers are not available for use, and we will not be open for drop-in.

Current Hours of Operation
