HIGHLIGHTS

Christmas Kindness Market

In December, we hosted our very first Christmas Market, where the kids got to buy real gifts for their family members using the play money they'd earned. It was a fun and meaningful way for them to practice responsibility, decision-making, and generosity, all while picking out something special for their loved ones. We're excited to keep this tradition going in the coming year, helping to motivate both the kids and the community!

Program & Event Highlights

Art City pushes kids beyond their comfort zones and has become a powerful, meaningful part of their lives and our Centre.

On Tuesday, December 30, we were able to visit the Zoo Lights and had such a great time. Thank you to everyone who came!

Every Saturday, our cooking classes teach kids fun, hands-on recipes while helping them learn about nutrition and healthy eating habits.
