Summer Memories

This summer was filled with fun, laughter, new experiences, and opportunities for children and youth in our community to connect and create lasting memories. From exciting outings and community activities to time spent together at the centre, every day brought something new to look forward to.

More than just activities and trips, this summer was about building relationships and creating a welcoming space where children and youth could feel included, supported, and connected to their community. We are so proud of all the young people who joined us and made this summer special.
